EDITOR'S LETTER

Are things feeling any different out there, now we're no longer members of the European Union? I can't tell myself, given that we had to get this issue off to the printers on the very eve of Britain's departure, so as things stand all I know is that Big Ben probably won't be bonging on the 31st and that nothing is likely to change very much for the time being. But whether you're a Leaver or Remainer, let us now all come together and unite behind the one thing we have in common – an admiration for undressed ladies like Sophie, Scarlett, Adele and Amy, eh?

NAVAL FLUFF

Dear *Mayfair*,
Being in the Royal Navy, I frequently have to go for long periods with only my memories and the odd copy of Mayfair to keep me going, but luckily my girlfriend Suzi's always been pretty open-minded, so whenever we get to spend time together she usually makes sure I've got plenty of horny memories stored up, but last time I got back from a tour she really pulled out all the stops!

When I turned up at her flat, I couldn't wait to get her in the bedroom, and we spent a good few hours getting properly reacquainted, but then the next morning, as we were cuddling up, she grinned and told me she'd got a proper welcome treat planned. I knew immediately it had to be something filthy, but she refused to say any more about it, only saying that I'd find out that evening.

> MY PRICK SPRANG OUT, AND TO BEGIN WITH THE TWO HORNY BABES JUST STROKED IT…

Come that evening and things seemed disappointingly normal – we were in the local with a few mates and Suzi's mate Karen, and as the evening wore on nothing out of the ordinary seemed to be happening at all. It was only when we were leaving and Karen started explaining that her parents were away and how she didn't like sleeping in the house on her own that things slowly started to dawn on me.

"You can crash at ours, if you like," Suzi offered, and I spotted a little smirk between the two girls that made me realise the whole thing had been arranged in advance. Suzi well knew I'd always fancied Karen, and as we walked back to her flat I could hardly contain my excitement!

Once we were back at the flat and all slumped on the sofa, Suzi turned to me and said, "You know I said I had a special welcome home treat lined up for you? Well, here it is!" and with that the two girls, who were sitting on either side of me, gave each other a glance and a nod, before reaching out a hand each and resting it on my bulge.

Instantly, my cock sprang to attention inside my boxers, and the girls must have felt it, because they both smirked before setting about unleashing the beast. My prick sprang out, and to begin with the two horny babes just stroked and caressed it gently, but before long they

THE FRENCH CONNECTION

Dear *Mayfair*,
First of all, Happy New Year! 2020 looks like being an interesting one (to put it mildly), but it's always good to know at least one thing will never let us down! Now that I've got that out of the way, can I say what a thrill it was to clock Chloe in your latest issue, complete with that glorious bush that hints at the *Mayfairs* of yesteryear. Maybe you ought to encourage more French models to appear in the mag if that sort of bush is the fashion across the channel… or perhaps I ought to just move there myself! I'd like to think that Brexit won't deny *Mayfair* access to glorious girls like Chloe going forward.
Alan, via email.

SUBS PLEASE CHECK...

Dear *Mayfair*,
As a subscriber, could you tell me what's going on with the issues these days? They seem to be every 6 weeks now instead of every 4, but with 12 issues last year instead of the customary 13. Is something up with your subscriptions service?
Jerry, Bolton.

Ah yes, well I'm afraid it's a response to the ever spiralling cost of paper and printing these days - we've gone from every 4 weeks to every 6 weeks, which'll mean 9 issues a year from now on. We'll make sure people who subscribed for 13 get their full 13 copies before the subscription runs out, though! *Mayfair*, like everything else, is a case of 'use it or lose it', and so I'd urge all our readers to spread the word if they want this particular British institution to keep on running - Ed.

both leant over and I was treated to the incredible sensation of having two eager tongues swirling round my helmet.

"Thank God this isn't my first night home!" I thought to myself, because there's no way I'd have been able to last!

I think it was Karen who first properly slurped my knob into her mouth, coating it with saliva and taking it right to the back of her throat. Meanwhile, Suzi started teasing my balls with her tongue, flicking each in turn before sucking them into her mouth as well. Even given the previous night's marathon session, I was starting to struggle, so to distract myself from the ecstatic sensations enveloping my cock and balls, I reached out each arm and began to caress each girl through their (surprisingly moist!) panties. Then, easing their gussets aside, I slid my two middle fingers into two inviting slots – Suzi's shaven as always, Karen's lightly fuzzed, but equally succulent!

The girls groaned as I sank my digits deep inside them, and both pushed their arses back against my hands. I tried to concentrate on their cunnies, teasing their clits and sliding another finger into their juicy pussies, but before I'd got very far Karen came up for air and gasped, "It's no good, I need some cock inside me right now!" With that she stood up, yanked down her knickers and straddled me. I quickly wriggled my jeans right down, allowing her a clear shot at my dick, which was throbbing harder than I can ever remember.

Suzi sat back and watched as her horny friend slowly lowered herself onto me, groaning as my fat prick filled her up completely. After a moment to get used to my meat, she slowly began to ride me, grinding her pussy down onto me frantically while I reached out and pulled up her top and bra, allowing me access to her pert titties. I pinched and rolled her stiff nipples between my thumbs and forefingers, making her gasp with delight as, within only a minute or two of mounting me, she shuddered through a massive climax, drenching my cock and balls with her sweet nectar.

After that, it was Suzi's turn, but she lowered herself down onto me facing the other way, meaning I could hold onto her waist as she banged up and down on my aching prick.

Karen, meanwhile, knelt in front of her, fondling my balls as my prick slammed into her Suzi. Suzi's always liked it hard and fast, and while I desperately tried to hold out, she came too, mixing her own juices with Karen's, leaving my balls absolutely soaked!

By this time there was no way back for me, so I pushed Suzi off me and stood up, wanking my prick furiously into Karen's face. Suzi joined her on her knees – and only just in time, as I sent a huge torrent of jizz arcing over the girls' faces! They lapped it up like their lives depended on it, draining every last drop from my twitching nads before I collapsed back onto the sofa.

After that, we got ourselves cleaned up, had another drink, and hit the sack – where I got to screw them both again (and finished off by blowing me seed deep into Suzi's arse!). In the morning, Suzi informed me that it had been a one-off, and that I was to stay away from Karen from now on, which I did. Still, the memory of that night should keep me going for many a night next time we're at sea, and when we are, I can't wait to find out how Suzi welcomes me home next time!
Dean, Plymouth.

HAPPY ANAL-VERSARY!

Dear *Mayfair*,
I've been married to my wife Laura for 5 years now, and while she's always been just as randy as me things cranked up a notch or two recently, when we were celebrating our anniversary. We'd been to a local restaurant for a celebratory meal, and by the time we got home wife Laura was a bit tipsy. She put some sloppy music on for us to dance to but only managed a couple before the effects of the alcohol kicked in and she said she wanted to turn in. We went upstairs and by the time I'd got back from the toilet, she was lying there completely still as if she'd already fallen asleep!

I wasn't sure if she was winding me up, particularly because she had her lovely red underwear on and is normally very horny after a drink, so I said I'd help her get undressed so she didn't get uncomfortable during the night. I took her trousers and knickers off and then started on the top half.

Eventually I got all her clothes off and opened her legs to check what the response would be – she gave a tiny wry smile, so I knew she was having me on. I went down and licked between those lovely, juicy lips, circling her already swollen clit before repositioning her legs and getting on and going for it. I must have been feeling pretty horny myself, because I was soon banging away furiously until I shot my load deep inside her. Laura then really came to life, she had been awake all along. She started gyrating her hips, making her come filled snatch massage my cock – this meant she wanted some more action.

To start with, I couldn't really be bothered and just thought about nodding off. But Laura kept on, so I had a good lick of those gorgeous erect nipples and was hard inside her soon afterwards. As soon as she felt that, she grabbed hold of my cock, lifted her legs up onto my shoulders and rubbed my swollen, juice lubed cock around her sphincter. It went in a lot easier than on previous failed attempts. I managed a few small strokes while she rubbed her clit, then she said she needed the vibrator and a porn video on. I obliged on both fronts but the vibrator had more or less gone flat. She said she wasn't worried about new batteries, and started fucking herself with this big plastic cock. I got back on and she immediately grabbed hold of my cock and put it back up her arse while she filled her front hole. I could only get small strokes while she fucked herself with the vibrator as her hand was in the way – she soon realised this.

> SHE LIFTED HER LEGS ONTO MY SHOULDERS AND RUBBED MY COCK AROUND HER SPHINCTER...

She then suggested it would be better if I did her doggy style. I agreed instantly and she got up on all fours, positioned my cock in her arse then carried on with the vibrator in her snatch and her fingers rubbing her clit. I was banging away like I thought I'd never get the chance to with her. To say she's never been that keen on anal before would be an understatement. We'd tried a few times but never got very far before she'd started complaining – but tonight was the exact opposite!

While my balls were slapping violently against her hand as she fucked herself with the vibrator, she said, "That is fucking gorgeous," in exactly the same lovely husky tone as when I first fingered both her holes at the same time a couple of years ago.

After several minutes of this absolute heaven, she said she did need batteries for the vibrator, so I pulled out, went downstairs and got some new ones and replaced them sharpish. When I returned to the bedroom we resumed our fun. She really starting going for it then, buzzing away like a good 'un and then

Call me old fashioned, but isn't it nice to kick off a brand new volume of *Mayfair* with a sizzling new British model? Certain standards might have dropped over the years, but here at Paul Raymond Towers we like to try and maintain a certain level of service, and in keeping with that, allow me to present you to Sophie, who's trekked all the way from the West Midlands to shoot for us!

"I'm actually a bit nervous," she confessed when she got here. "Do you think I'm up to scratch for *Mayfair*?"

Hmm, we don't like to nail our colours to the mast too quickly on that sort of thing – perhaps it'd be best if you came back several more times so we can judge that properly...

A TWIN/TWIN SITUATION!

Dear *Mayfair*,
Love the mag – I've been buying it on and off for over 20 years, and it never fails to get the job done, if you know what I mean *(Umm, no – you'll have to enlighten us... – Ed.)*. I love it whenever you feature a new British girl, so imagine my delight to discover not just Rosa in 54.08 but then also her stunning twin sister Grace Lily cropping up in 54.12! Surely this it a real coup for the magazine, but I've got to ask – are you sure you're not having us on? They really do look very similar and it'd be a dirty rotten trick to pretend Rosa had a twin when she actually doesn't!
Mark, Surbiton.
Well Mark, we were actually a bit suspicious ourselves, but a very close inspection at each girl has confirmed that they are indeed two separate beauties! I don't know whether they'd pose together, but if so we'll be able to prove it once and for all! - Ed.

surprising me by saying she wanted to suck my cock. I slipped it out of her arse and she turned round and gobbled it. It was a bit sore after shoving it up her arse, but she wanted to do it, so I could not deny her the pleasure.

After a couple of minutes of this, I told her to turn around again and squeezed my throbbing cock back in that lovely tight arse. I started going for it big time, grabbing her hips and fucking her for all I was worth. She surprised me again by panting, "That's it, fuck me up the arse!"

A few minutes later we were both still going hell for leather – me up her arse and her fucking herself with the vibrator and flicking her bean – when she came and started moving away from my cock. I pulled out of her arse and started wanking away, trying to come again but it wasn't happening. She was lying on her front on the bed, so I carried on stroking my cock and let her calm down.

After a few minutes I gently slipped it back into her snatch, although she seemed a bit surprised with this. I then went for it big style and it wasn't too long before I let out a moan and came deep inside her hole. It just goes to show you, even after five years of marriage, wives can still surprise you!
Ollie, Berkhamstead.

Music has always been very close to our hearts here at *Mayfair*, so when the chance came to get some piccies of the delectable Nicole posing with a piano, we were always going to say yes, because... oh, who am I trying to kid?! We'd have gladly taken a set of Nicole posing with a couple of bin lids and a half-eaten kipper! I mean Christ on a bike - just look at her! It turns out Nicole herself is almost as musically illiterate as us – when we asked her if she'd like to play a little something for us she said she could only manage two fingers. Not that we were complaining...

TECH'S APPEAL

Feeling the urge to shell out some of your hard-earned shekels on some shiny new baubles? Well don't go splashing out till you've read the *Mayfair* lowdown!

SONOS **MOVE**

No supermarket is complete these days without a little shelf dedicated to bluetooth speakers – they're often pretty cheap now and do a job if you want to listen to music on a speaker that's better than your phone. So why would someone fork out the best part of £400 for a Sonos speaker like this? Well, first off there's the Sonos sound quality, which is pretty top notch, and perfectly balanced for all sorts of musical styles (my Grumbleweeds playlist sounded fresher than ever!). But given that it's rechargeable (with a 10 hour battery life, give or take) the Sonos Move comes into its own when you head outside and want to listen to some banging tunes. Not only does it pack a decent sonic punch (the woofer really gets the job done when used alfresco) but it's also waterproof, meaning the Great British Summer shouldn't impede its performance one jot. When it's indoors and wi-fied up it doubles up as a voice activated smart speaker, able to access Amazon, Google, Spotify, Siri etc, and if you're one of those who prefers to listen to their music in actual stereo, it can be paired up with a second device to do just that (a rather costly option, mind you).

PRICE: £399

GARMIN **SWIM 2**

Waterproof watches have been around for donkey's years – if you're putting in a few lengths or larking about on the beach and want to know what the time is, then there's plenty of fairly elderly wearable technology out there that'll do the trick. Then again, the Garmin Swim 2 (the unimaginatively named follow up to 2014's Garmin Swim) does a bit more than let you know how long it is till teatime. Apart from the nifty, unisex design and the big display that makes it easy to read even through steamy goggles, it's got a shedload of clever tricks up its sleeve that'll make your swim all the more illuminating, from a heart-rate monitor to a stroke-rate tracker, a swolf monitor (some kind of swimming golf score – seems a bit odd to me, but there you go) and a function that lets you off the hook when you stop between lengths for a rest. There's a choice of pool and open water settings, and all the app stuff means you can download your performance and monitor your progress. There's connectivity which lets you send and receive messages to swimmy and non-swimmy mates, and it'll also keep a track on some of your land based activities, like sleep, running and relaxation. It's a bit specialist, to be honest, so unless you're a proper swimming nut I wouldn't bother – and even then I'm not so sure, either...

PRICE: £220

FANNY **CANDLE**

Yes, alright, I'll admit it, candles aren't exactly cutting edge technology, so the inclusion of one on our tech page seems a bit odd, but then a candle that claims to smell like a celebrity's vagina is most definitely something new and worthy of mention! Let's face it, the vast majority of us probably never really we'd get a chance to experience the unique aroma of Gwyneth Paltrow's mivvi, but now – thanks to candle technology – the opportunity beckons, and the world is our oyster (or clam, at least). Sadly for purists, it doesn't smell like her vagina because it's been inserted there, but because its combination of cinnamon, tobacco and sea breeze notes does, according to the loopy celeb, whiff like her clunge. Tragically for fans, though, they appear to have sold out already, no doubt in part because Gwyneth pal Elton John has snapped up loads. Hopefully there'll be another batch along before long, so the rest of us mere mortals can have a good old sniff.

"I'd say it was a crime of passion, Sarge!"

There was an older man who was married to a much younger woman, and he was having trouble lasting long enough in bed to satisfy her. So he went to the doctor and was told he should pleasure himself before having sex and that way he would last longer.

The next day, as 5 o'clock rolls around, he gets a call from his wife who says she's very horny.

On his way home, he remembers what the doctor said and decides to knock one out before he gets home. He thinks, "Well, I can't do it in the car, but if I get under it I can pretend I'm fixing my car." So he gets under the car, closes his eyes, and starts pumping away.

A few minutes later, there's a tug at his trouser leg. In order not to lose the image of his beautiful wife, he doesn't open his eyes, but just shouts out, "What is it?"

"I'm a police officer. What are you doing down there?" comes the reply.

"I'm just checking my axle, officer; I think it's come lose."

"Well sir," says the policeman, "while you're down there, you might want to check your brakes as well – your car's crashed into a tree down the road."

Three sisters, Monica, Phoebe and Fanny went to buy some new dancing shoes for a party. Monica buys size 9, Phoebe buys size 10, and Fanny buys a whopping size 12.

At the party Fanny sits alone watching her two sisters hoofing it up, when two guys Monica and Phoebe reply, "If you think these are big, wait till you see our Fanny's!"

Did you hear about the mathematician who was afraid of negative numbers? He'd stop at nothing to avoid them!

Betty married and had 13 children. When her husband died, she married again and had 7 more children. Again, her husband died. So she remarried and this time had 5 more children. Alas, she finally died herself.

Standing before her coffin at the funeral, the vicar prayed for her. He thanked the Lord for this very loving woman and said, "Lord, they're finally together."

One mourner leaned over and quietly asked her friend, "Do you think he's talking about her first, second or third husband?"

The friend replied, "Actually I think he's talking about her legs."

One morning, as they were lying in bed, a wife turns to her husband and says, "I dreamt they were auctioning off dicks last night. The big ones went for ten quid and the thick ones went for twenty quid."

"Knock knock."
"Who's there?"
"Control freak. Ok, now you have to say 'Control freak who?'!"

Intrigued, the husband replied, "How about the ones like mine?"

"Oh," says the wife, "they were giving those away for nothing!"

"Hmm," replies the husband, "I had a dream too… I dreamt they were auctioning off pussies.

The pretty ones went for a thousand quid, and the little tight ones went for two thousand."

"And how much for the ones like mine?"

"That's where they were holding the auction."

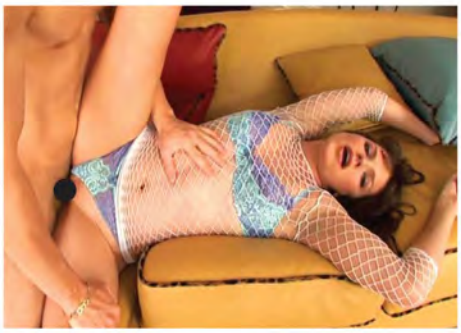
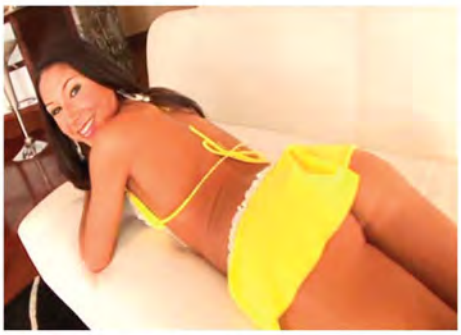
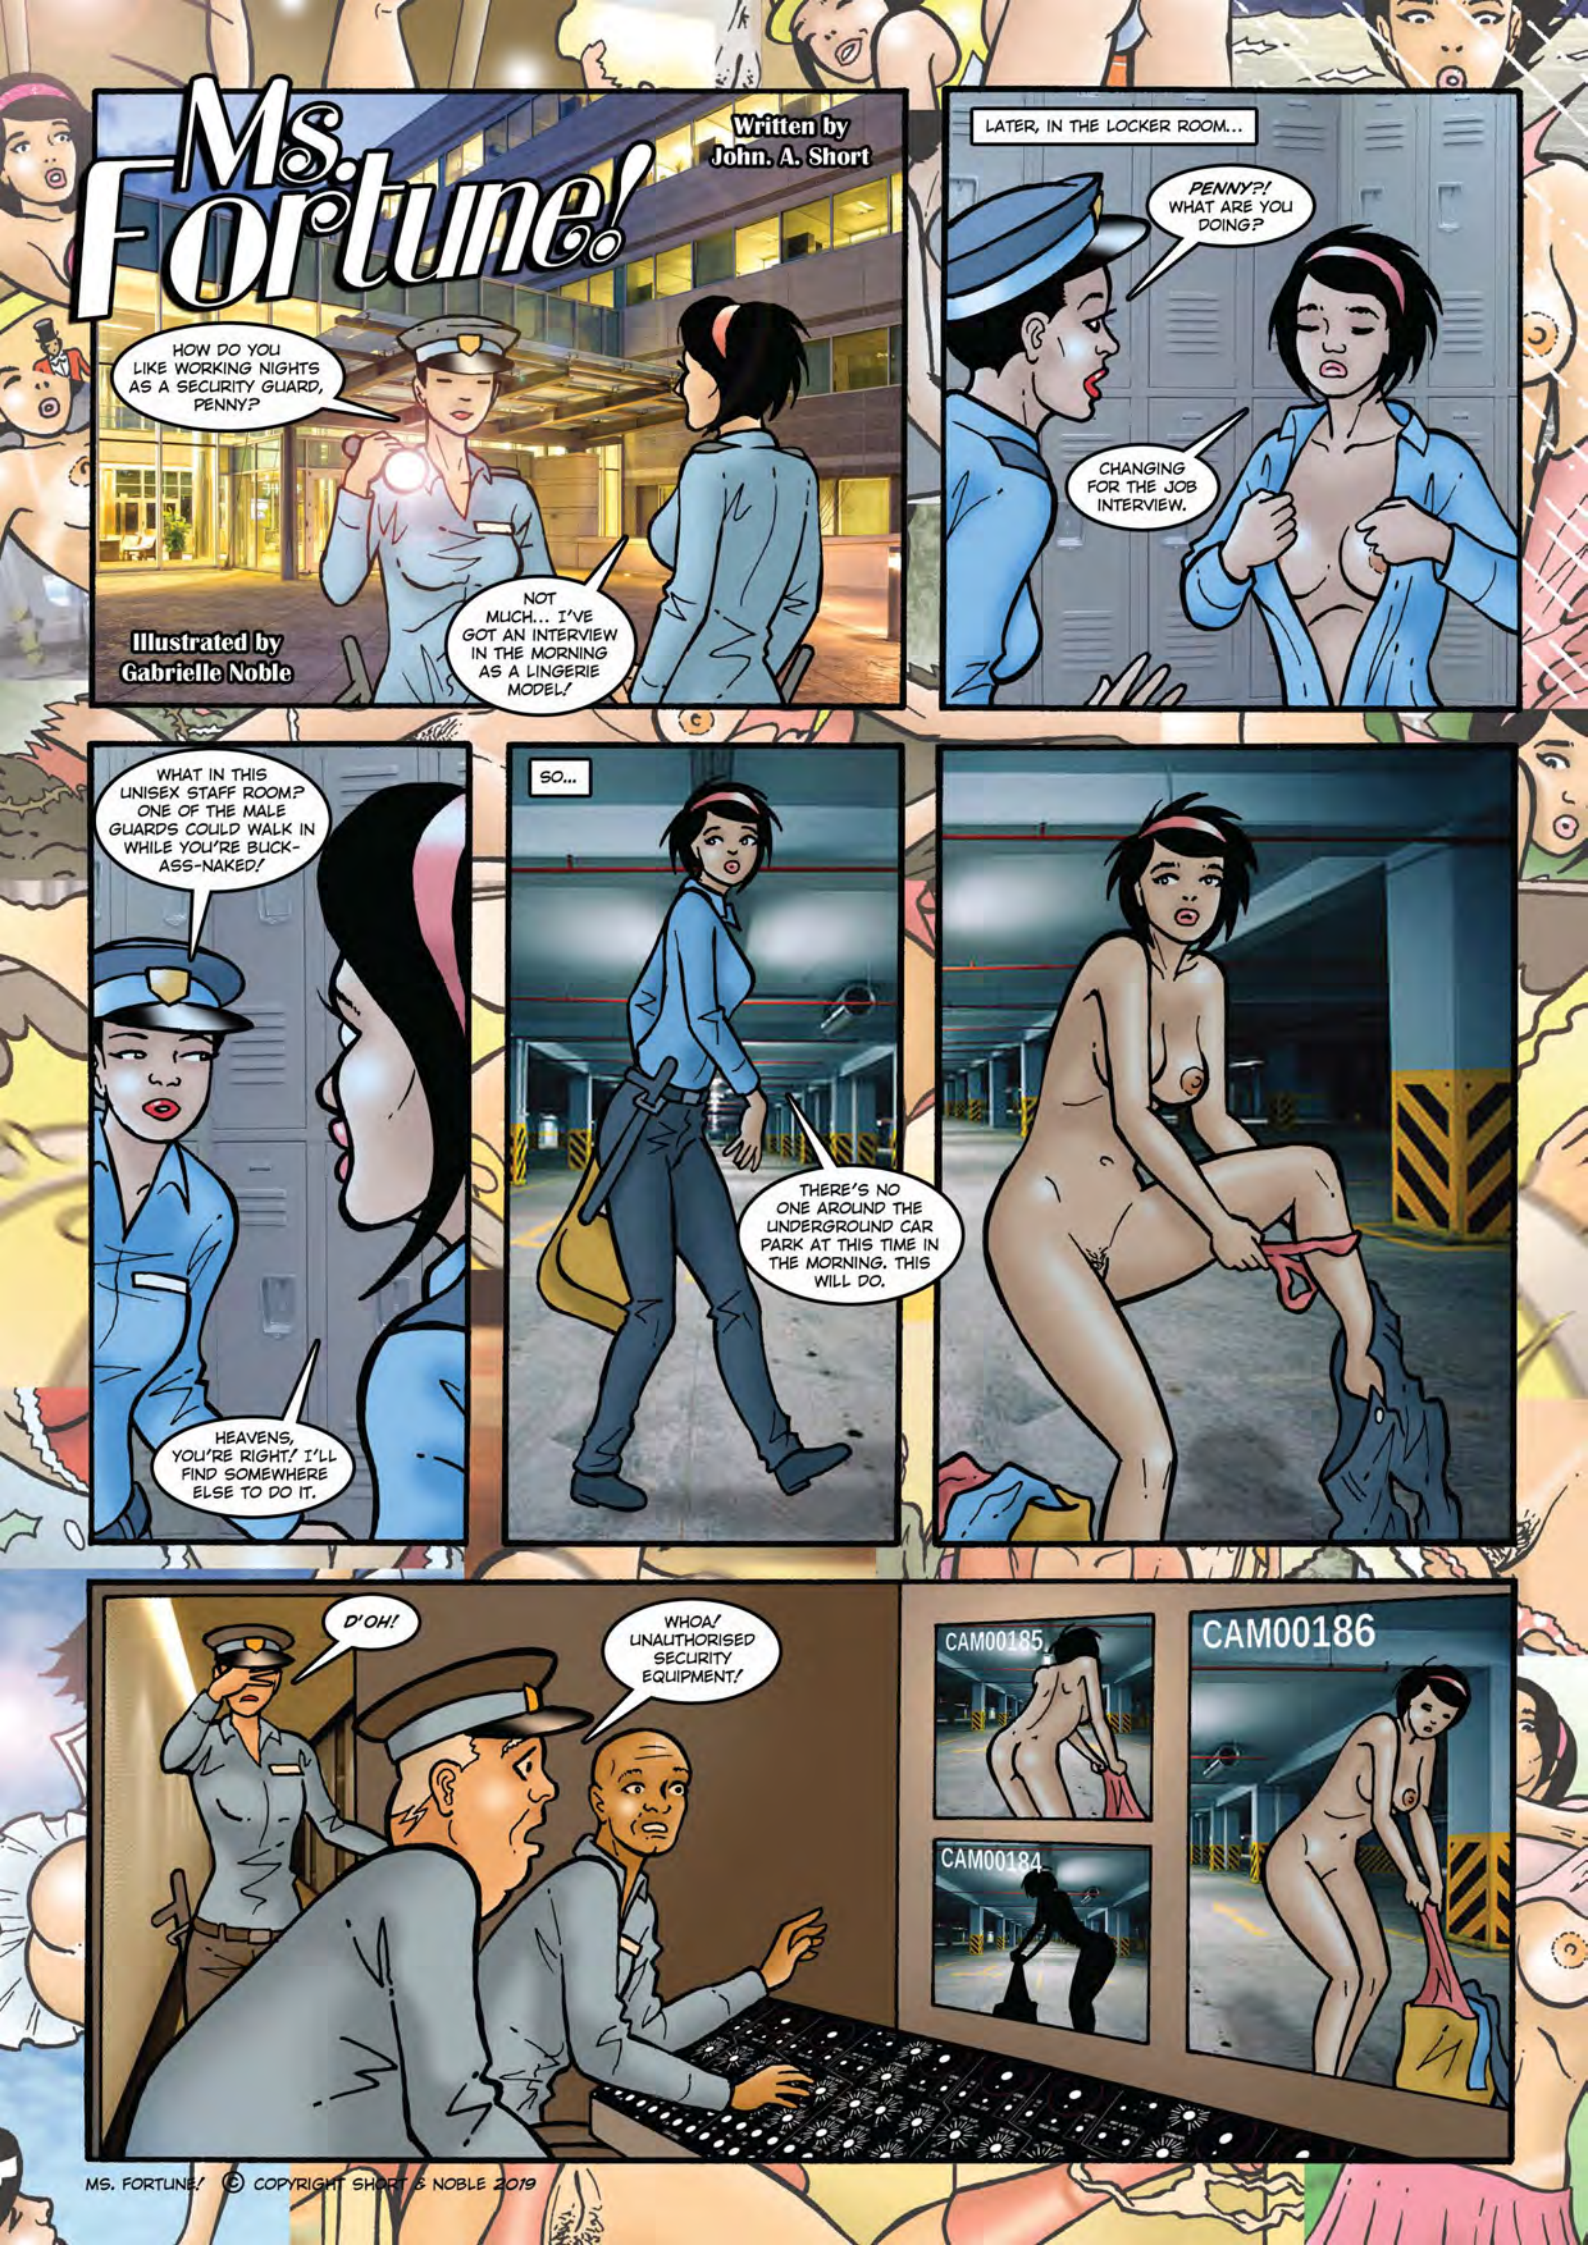
BROOKLYN AND FRIENDS & I LOVE IT FROM BEHIND







Ms. Fortune!
Written by John. A. Short
Illustrated by Gabrielle Noble
HOW DO YOU LIKE WORKING NIGHTS AS A SECURITY GUARD, PENNY?
NOT MUCH... I'VE GOT AN INTERVIEW IN THE MORNING AS A LINGERIE MODEL!
LATER, IN THE LOCKER ROOM...
PENNY?! WHAT ARE YOU DOING?
CHANGING FOR THE JOB INTERVIEW.
WHAT IN THIS UNISEX STAFF ROOM? ONE OF THE MALE GUARDS COULD WALK IN WHILE YOU'RE BUCK-ASS-NAKED!
HEAVENS, YOU'RE RIGHT! I'LL FIND SOMEWHERE ELSE TO DO IT.
SO...
THERE'S NO ONE AROUND THE UNDERGROUND CAR PARK AT THIS TIME IN THE MORNING. THIS WILL DO.
D'OH!
WHOA! UNAUTHORISED SECURITY EQUIPMENT!

I've been working on *Mayfair* for a few years now, and I think I've got a pretty good idea about what sort of girl is likely to get you lot humming with delight (to be honest, they tend to be the ones that have that effect on me as well!) and brand new Yorkshire-born lovely Scarlett pretty much hits the nail on the head! What a corking package she is, to be sure, with those wide, soulful eyes, pert boobs and a stunning body... and a bit of foliage downstairs for the traditionalists among us. Scarlett, please tell us we'll be seeing plenty more of you in the months and years to come...

"There's not much more of me left to see, is there? But yes, I certainly hope so!"

SCENE from MAYFAIR

A post holocaust chiller that was, apparently, inspired by a true story followed by two rather more light-hearted releases to put a smile on your face...

WEREWOLF

What's this – another horror flick jumping on the bandwaggon of recent revivalist releases? No, not on your nelly – Director Adrian Panek's only gone and made a film called *Werewolf* that doesn't actually contain any werewolves! Not that there aren't some extremely unpleasant canines to contend with, mind. Things start off in a concentration camp, just before its liberated by Russian troops, and through a combination of luck and good judgement one roomful of young Polish prisoners manage to survive... but it turns out that's far from the end of their troubles. Billeted in an old mansion before being returned home (or whatever may be left of it) they find themselves surrounded by a baying pack of guard dogs from the camp who are not only starving but who have also developed a taste for human flesh. Combining lots of elements, this is a nicely played ensemble piece that's both chilling and thought-provoking in turn as the kids strive to survive.

BRITANNIA 2

Writer Jez Butterworth made a name for himself with some spectacularly successful plays – most notably *Jerusalem* and *The Ferryman*, so this series must have taken quite a few people by surprise on account of how utterly bonkers it is! Set during the Romans' second invasion of Britain (the first, under Julius Caesar, having fizzled out), it sees the always excellent David Morrissey playing a Roman General who's doing his utmost to subjugate the troublesome natives with a mixture of sly political chicanery and more out and out military might. But while Asterix and the French relied on a magic potion, the Brits have a more mind-altering pharmacopoeia to draw on, most notably by High Druid Mackenzie Crook. With Zoe Wannamaker and Ian McDiarmid on fine form, it's hard to resist the deranged fun of it all.

WHAT'S NEW PUSSYCAT?

Any film that features the talents of not one but two of the great comics of cinema has to be worth a look, and *What's New Pussycat?* definitely falls into that category, with the great Peter Sellers an established star of the 50s and 60s crossing paths with Woody Allen, who was just starting to make a name for himself in the industry (this is his first screenplay) in this 1965 release. It's very much a product of its time, with Peter O'Toole playing a babe magnet who's doing his best to be faithful to his fiancée, but even the help of his psychoanalyst (Sellers) doesn't seem to be much use. Woody Allen, meanwhile, is finding his feet as a nebbish friend who's permanently out of luck with the ladies. Ursula Andress, Capucine and Romy Schneider add suitable glamour, while Tom Jones belts out the title tune with typical gusto.

We go from a Yorkshire-born newbie straight to a rather more familiar face (and body) from the self-proclaimed God's own country! Mind you, a quick look online tells me that Kerala in India and the Wicklow mountains in Ireland both lay claim to that title as well.

"No disrespect to those two places, because I'm sure they're very nice," says Amy, "but we all know Yorkshire's the greatest place on Earth! And in case it was in any doubt, you've got two girls in this issue to prove it!"

Hmm, well in the interests of fairness we ought to try and track down a couple of girls from Kerala and Wicklow to compare, but it's hard to argue!

Hurrah - it's a bloody superhero pastiche! I was starting to get withdrawal symptoms there. Oh, and two more helpings of up-to-date grot...

WICKED PICTURES PRESENT ●●●●○
CAPTAIN MARVEL XXX

EDITORS PICK

Ah, it feels like ages since we last saw a superhero parody from Axel Braun at Wicked, although it's probably only been a few months in reality. Has there been a Captain Marvel film in the cinemas lately? Quite possibly. Either way, this porno parody sees boobelicious blonde Kenzie playing the Captain, who proves she's more than a pretty face by ribbing and besting stud Quinton James in a sparring session. Still, she makes it up to him with a nosh and a bit of anal action, which is pretty good recompense in my book! She's in her costume for the next scene, which sees her being double-dicked by a couple of green-faced (but pink-cocked) aliens. The lighting, much like the first scene, is a bit moody, but it's pretty clear what's going on. Of the four remaining scenes, the pronging from tranny star Aubrey Kate stays in the mind, as does the squirty lesbo romp with Ana Foxxx. With some reasonable laughs and plenty of good sex, you can't go wrong, really.

EVIL ANGEL PRESENTS ●●●○○
WET FOOD 9

Over the years I've met numerous cats who are rather partial to 'wet food' – especially when their customary kibble diet doesn't offer too much variety. They go berserk when they hear those little pouches being torn open and – as far as they're concerned, at least – to hell with the environmental impact of all that single use plastic! There are no cats on display in this offering from noted grot-mongers Evil Angel, though, only four very eye pleasing sploshers, and the wet food they're after isn't some rabbit and horse flavoured jelly but the jizz produced by the numerous blokes they suck off in the a series of 'blow-bangs'. I haven't seen episodes 1-8, but I've got a good idea what they look like, and I now have a good idea what cuties like Alina look like slathered in nut-butter. Fans of full-on oral action need look no further, although the sight of that much harry definitely isn't for the more faint-hearted viewer.

PRIVATE PRESENT ●●●●○
GIRLS' REAL FANTASIES

The relationship between porn and apostrophes hasn't always been a happy one (although it's not quite on the grocer's scale!), so it's nice to see Private hit that apostrophe nail on the head with this one! Lana's a pretty lass whose fantasy, it seems, is fucking in public, and she proves the point first by stripping by the roadside and rubbing her shaven fanny, and then by getting her boyfriend to follow her to the restaurant bogs for a bunk-up. I'm not sure that quite qualifies as 'in public', but she sure looks grand taking a length in the lavvies before accepting a pop to the chops! Spanish hottie Ginebra, meanwhile, fancies giving swinging a go, which she does poolside, with plenty of reverse cowgirl making it especially satisfying. It's Renata Fox who takes the biscuit, though, by living out her fantasy for a spot of bum fun. A nice collection of straightforward boy/girl scenes, with a bit of POV thrown in along the way for good measure.

LACEY

Age: 26 **Vital Stats:** 34C-28-32 5'7"
Photographer: BBM

What a spectacular model, eh? In absolutely perfect condition, what I wouldn't give for a good play around! If only I could get a bit of a closer look, but for some reason our photographer seems to be concentrating on Lacey Jay rather than the reel to reel recorder in the background...

"Hey, you're meant to be looking at me – not that bit of vintage kit in the background!" Lacey protests with a pout. "Wouldn't you rather play around with me for a bit instead?!"

Ah, I thought you'd never ask! To be honest I'd probably struggle to even turn the tape recorder on!

"And me, I suspect!"

QUEST...

Reckon it's high time we had some confessions from some of our horny lady readers? Well so do we - and here they are!

My boyfriend has bought your mag ever since I've been out with him and I must admit to the odd sly wank over the letters when I get the urge, and recently I've even started frigging myself over some of the girls, too!

That said, I've always been a cock-loving girl and have only ever had a couple of rude fumbles with girlfriends in the past but last month that all changed and boy, am I glad it did.

Alison, my mate from work had arranged one of those sex-toy parties for a few mates at her flat and as it was just for the ladies, we ended up letting our hair down and really going for it.

Julie, the demonstrator had brought two large cases of wares to show us and after a few bottles of wine between the eight of us, we were eager to see what she had to offer.

She started with a few sexy outfits, you know, nurses and chambermaid type uniforms and invited us to try anything on that we fancied.

Alison disappeared off to get changed and took Sue, a statuesque redhead along with her, while I decided to try on a cute lacy baby doll nightie. Having had a few drinks I didn't see the point of changing in private, as we were all girls together, so I whipped off my blouse and pulled the flimsy see-through garment over my bare tits as a couple of the others whooped their approval at my lack of inhibition.

Name: AMY
Age: 28
From: LEICESTER

I found myself getting turned-on by their comments and pulled a few sexy poses like the ones I've seen in Mayfair. As I cupped my boobs together and wiggled my cleavage in front of two girls sitting on the settee, one of them reached up and stroked my nipples, sending a shiver of excitement through my pussy.

At this point Alison and Sue returned. Alison looked amazing in her French maid's uniform and had put on some stockings and high heels to complete the look, while the skirt of Sue's nurse's outfit was so short we could all see the pink thong that barely covered her pussy.

Timing her pitch perfectly, Julie began to distribute a fantastic selection of vibrators and dildos amongst us. Giant pricks made of rubber; double-ended latex dicks, butt-plugs and weird shaped monster dongs that made the mind boggle were passed around our giggling party.

Alison immediately took the perfectly formed 8" black fake cock and began to suck on it like a slut, slurping up and down

> "I INSERTED THE VIBRO INTO HER SODDEN TWAT, PUSHING IT ALL THE WAY UP HER..."

the shaft as the rest of us egged her on. My pussy was soaking and by the way some of the others were squirming in their seats, it wasn't just me gagging for some sort of relief.

Grabbing a hard plastic vibrator, I slid it gently up Alison's stockinged legs and rested the tip against her pussy mound. As I did so one of the other girls started groping my tits, while another undid my jeans and dragged them down over my thighs, revealing my naked slit for all to see. Alison pulled aside her panties and

aid in and out of Alison's glistening twat, spreading the thick fanny juice around the top of her thighs and all over her stocking tops.

Someone behind me was kissing my arsecheeks and pressing the tip of something big against the entrance to my already gaping hole.

Looking round, I saw it was Sue with the double-ended dick working on my fanny and I pushed my crotch down onto the bulbous tip in order to speed things up. Jeez, it was massive and stretched my walls as it penetrated my love tunnel. Once it was firmly embedded in my snatch, Sue swiveled around on the floor and spread her legs wide. She wriggled her arse closer until she had the other end of the fake prick positioned against her own twat. I don't think I've ever seen anything as horny as seeing that decoy dick stuffed in her cunny and mine at the same time! It was fantastic to feel it sliding in and out as we moved our hips back and forth in unison.

With a yell, Alison came all over the vibrator that I was working into the folds of her muff and I came too as a pair of warm lips closed around one of my nipples while Sue jerked the dildo inside me at the same time. As I climaxed, my face was inches from another girl's twat, also stuffed with rubber cock and I hungrily tongued her clit, sending her over the top, the goo oozing out from around the bright pink shaft as she orgasmed.

Julie dragged the cum-coated toy from the girl's hole and sucked it clean, showing a dedication to her job that sure was quite impressive!

The party continued until midnight, by which time, I'd tasted more pussy and sucked more tits then most girls do in a lifetime. Julie sold out of all her pussy-pumping products and everyone agreed we had to make this a regular monthly girls' night in!

"I DON'T THINK I'VE EVER SEEN ANYTHING AS HORNY AS SEEING THAT DECOY DICK STUFFED INTO HER CUNNY AND MINE AT THE SAME TIME..."

I inserted the vibro into her sodden twat, pushing it all the way up her before flicking the switch. She she sank to her knees and groaned as the vibrations coursed through her pussy.

By now most of the girls were either playing with the toys between their legs or rubbing them on their tits, while watching the action developing in the centre of the room. Spurred on by their attention, I ground the sex

As a former head girl, I was invited back this summer for my old school's annual awards day ceremony. I thought it would be nice to see some old faces for the first time in over twelve months. What happened proved a very pleasant surprise...

"VERY SLOWLY HE EASED MY KNICKERS DOWN AND KISSED MY BUM ON BOTH CHEEKS. I OPENED MY LEGS A LITTLE WIDER...."

It was all predictably 'nice' until I found myself cornered after the ceremony by a very charming man. I'd never really got this 'older-man-fascination' some girls my age have; give me a fit young lad any day. But Martin was undeniably handsome, despite being in his thirties definitely more charming than the lads my own age.

He turned out to be a local businessman turned benefactor for the school and we chatted for ages, Martin making no effort to hide his wondering eyes. He then said, "So you were head girl here then?" I've always been known for my bluntness and replied, "Oh no. You're not going to make some lame joke about me giving head, are you?" He laughed and said he wasn't, but added, "Now that you've brought the subject up..." I liked the fact he was willing to play along.

When Martin suggested we slipped away and went back to his hotel suite I couldn't help but be a little taken aback by his bluntness, yet since becoming a student I'd resolved to 'try anything once' so, after no more than a couple of seconds' hesitation, I accepted his invitation.

We knocked back a bottle of champagne in his room then he asked if I made a habit of accepting such invites. I told him I didn't but told him my new resolution. "Glad to hear it!" he said.

I was standing looking out the window when he came up behind me and slipped his hands around my waist. He only had one thing on his mind and, judging by the bulge pushing into the small of my back, he wasn't about to take no for an answer.

"I'VE NEVER KNOWN SUCH ATTENTION BE PAID TO MY CLIT, AS HE NUZZLED AND SUCKED, FLICKED AND LICKED..."

He helped me out of my blouse and skirt and then started to caress my body. I leant forward a little and pushed my bum out towards him. He fondled my cheeks and then his hand rubbed between my legs. Very slowly he eased my knickers down and kissed my bum on both cheeks.

I opened my legs a little wider and his fingers started to probe. I was already wondering why I'd left it so long to sample an older man. Martin already had me tingling with excitement and we'd only just begun.

He led me over to a chair and sat me down. My boobs were released from my little conservative bra and he paid them a lot of loving attention, kissing all around my nipples until my brown buds had hardened between his teeth.

Name: MELANIE
Age: 19
From: CHESTER

Martin knelt on the floor between my legs and teased me by kissing all around my inner thigh before finally burying his face into my hot pussy. I've never known such attention be paid to my clit in one go as he nuzzled and sucked, flicked and licked my every nook and cranny until my juices coated his chin. He even slipped his tongue down to my bum and gave my arsehole a lick, making me squeal with

utter delight.

He pushed his face harder into me so that his mouth was clamped tightly over my cunt and I couldn't break away even if I wanted to and subjected me to the tongue fucking of my life. When he was done I must've come over his face half a dozen times and could barely catch my breath.

Martin lifted me out of the chair and placed me on the bed. I was flat on my back, legs wide apart and waiting to be fucked. He unbuttoned his trousers and pulled them apart to reveal a thick handsome-looking prick. I was wetter than I've ever been in my life as he slid inside me. His mighty cock stretched me wide but still slid all the way in with one swift thrust. I pushed back against it as he sucked on my tits and began fucking me for all he was worth.

I imagined that he must've been so turned-on at this point that I didn't expect him to last the distance but Martin showed me he was more in control than that. He took it so slowly at first, allowing me the wonderful double sensation of feeling his cock inside me as well as his tongue caressing my nipples. He then increased his speed and I wrapped my legs around the back of his neck. Martin pumped into me for a little while, and then eased off. I was about to ask why when he flipped me onto my stomach and re-entered me from behind.

If I'd been loud in my appreciation of his efforts before, it was nothing on the noise I made as Martin shagged me doggy style. I buried my head in one of the pillows to muffle the sound. It didn't help that he was whispering some of the filthiest things I've ever heard in my ear as he rammed deep inside me.

Pretty soon I felt his index finger teasing my other hole as his cock pummelled my pussy. With both holes getting attention like this I completely lost control, not to mention my wad. In between gasping for air I was screaming into the pillow as wave after wave of yet another orgasm surged through my quivering body.

Martin finally announced he was about to come. He pulled his cock out of me and told me to roll over so that I was lying looking up facing him. He wanked his shiny cock furiously then exploded all over me showering me

> I FELT HIS INDEX FINGER TEASING MY OTHER HOLE AS HIS COCK PUMMELLED MY PUSSY.

with sticky slugs of semen. Spunk rained down on me, splashing my belly and tits and getting all in my hair until he was totally spent.

I scooped some of the creamy spunk up on my finger and masturbated my pussy with it, watching the reaction on Martin's face as I rubbed myself. Exhausted after our sex session, he collapsed back down on top of me and kissed me tenderly before rolling over and going to sleep.

I cleaned up and gathered my things together before quietly slipping away. I could've stayed and probably relived the whole thing again in the morning, maybe even making it dirtier, but I didn't know whether I could've taken it again so soon after such a session, so I decided to leave on a high and not risk spoiling it. I wonder if this year's head girl will be so obliging...

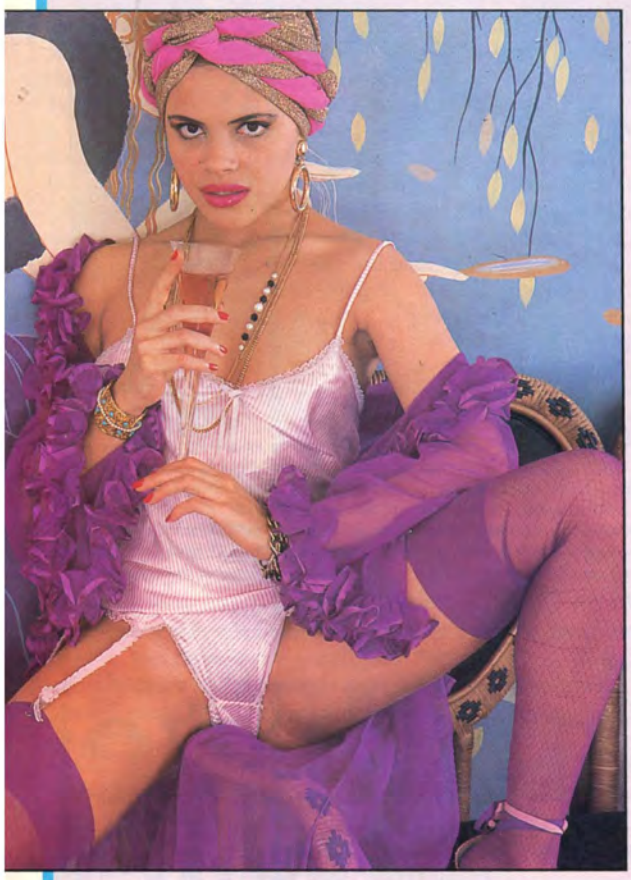
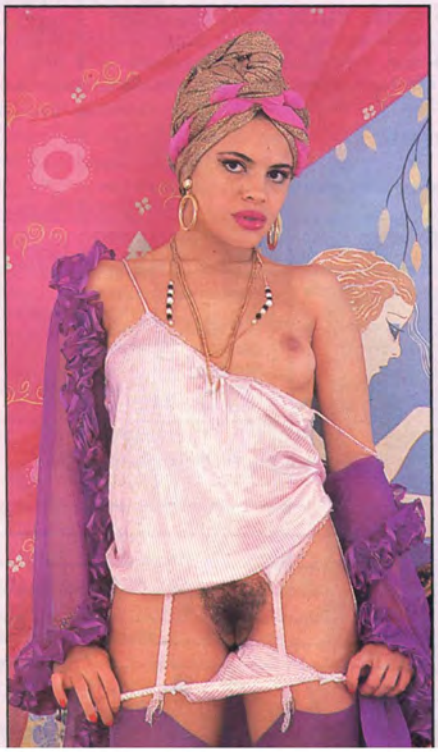
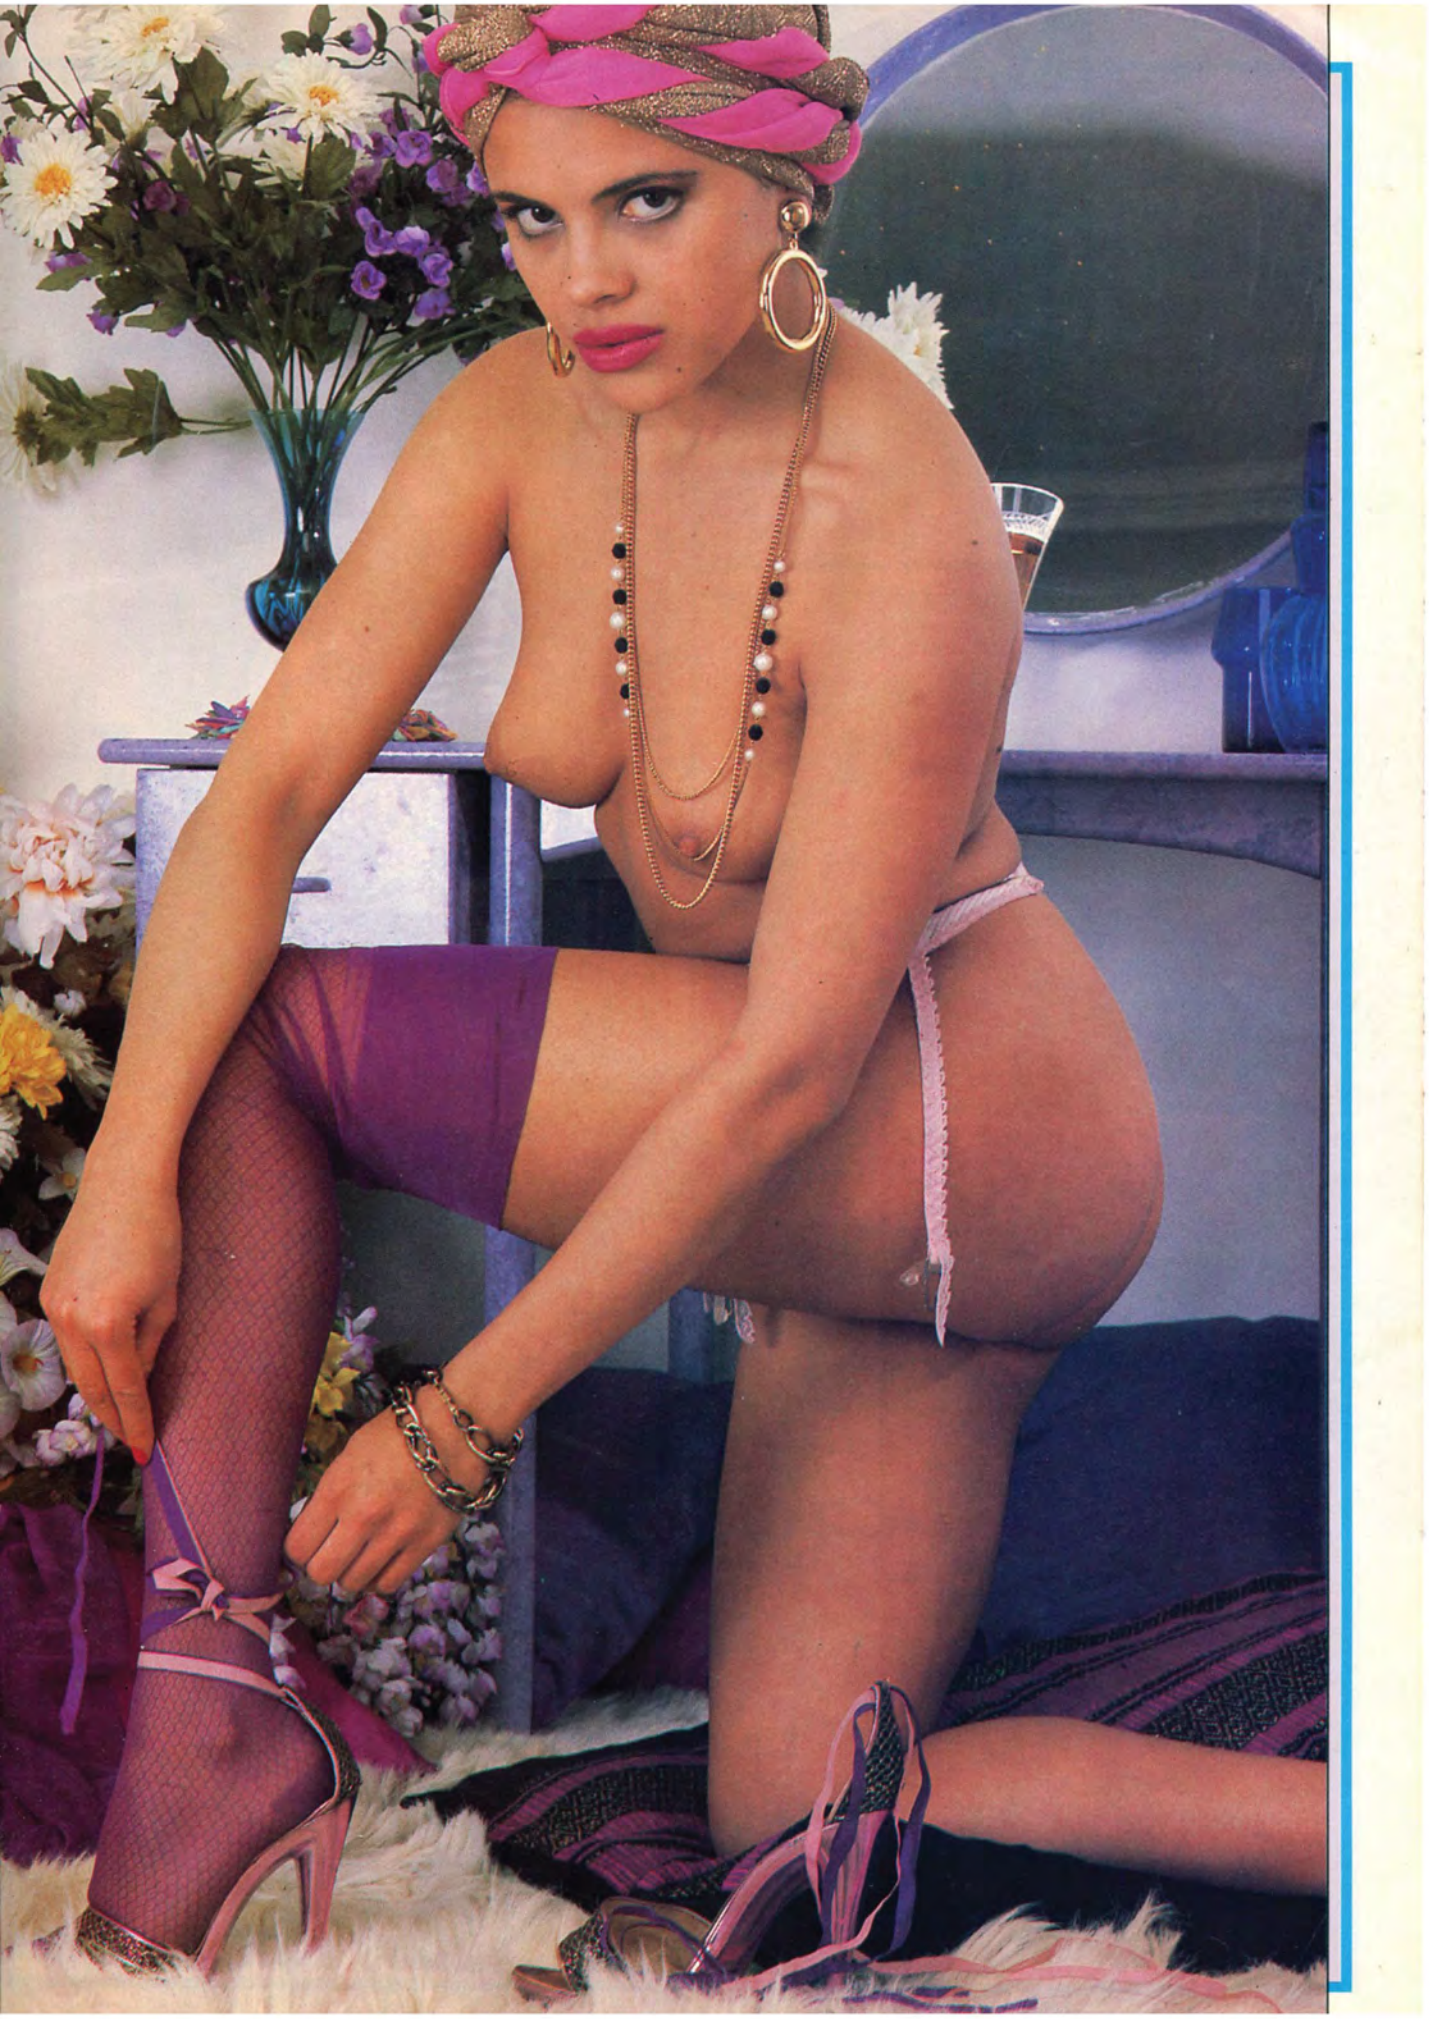
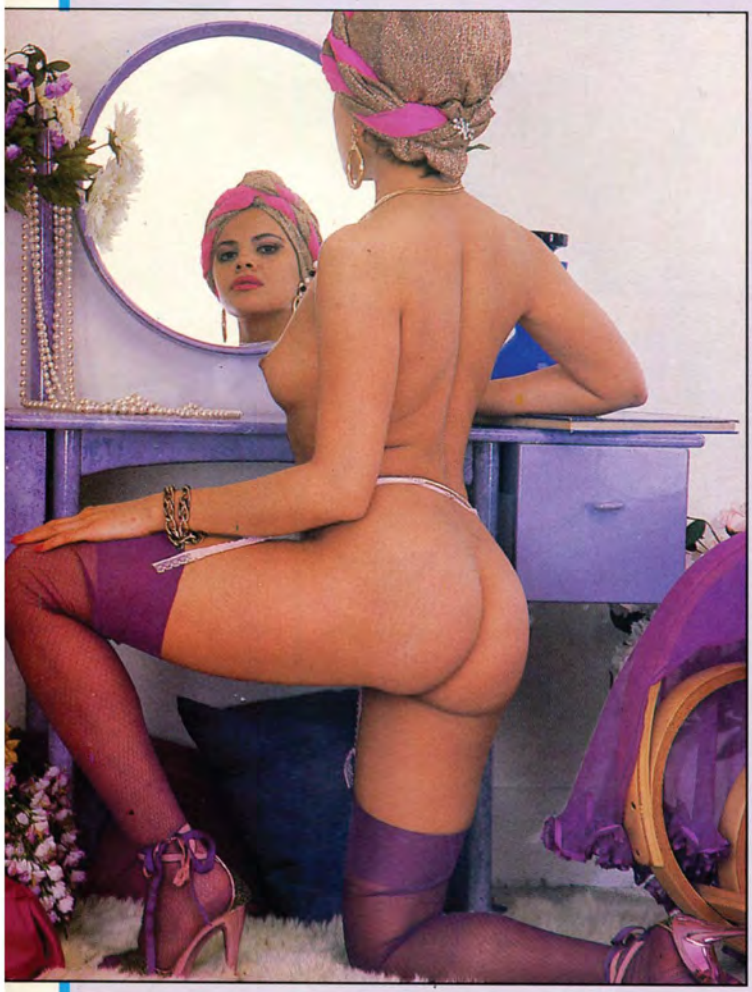
Corinne

Corinne Bentley would like nothing better than a close encounter, of any kind whatsoever. But before the thought of snuggling up to her 34-24-34 inches gets you too excited, be sure you live well north of Watford — say about 1000 light years. 'I'm a UFO freak,' says this 20-year-old.

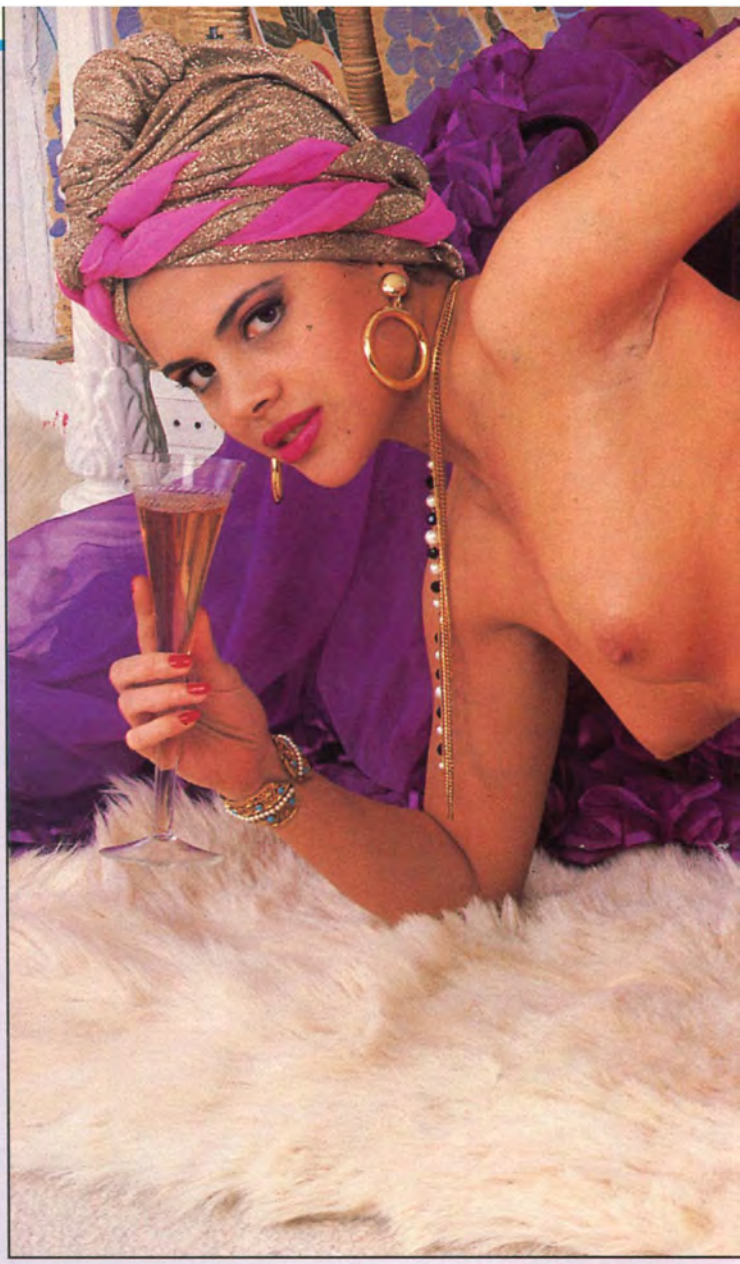








'*Dr Who* started me off when I was knee-high to a Dalek,' she grins. 'And, before anyone asks, Tom Baker was the best Doctor of them all! I've been into flying saucers and science fiction ever since.' To the extent that she, and a partner, now have their own secondhand book business, specialising in SF, ufology and space movie memorabilia.



They run it from a stall, which they've set up in Corinne's native Watford, London and Cambridge. 'We're still looking for a permanent spot,' says Corinne. 'I like the market life. I have naughty, chatting-up type conversations with the other traders, and serious talks with my customers. I enjoy variety in men!'

Classic MAYFAIR

Oooh, you don't see too many turbans like that around any more, do you? And yet, a mere 33 years ago they were clearly the height of sophistication. But all that UFO stuff makes her sound a bit, well, touched – even if we do ll think Tom Baker was the best ever Doctor Who! I spent a fair bit of my childhood in Watford – I wish I'd hung around the sci-fi book stand in the market a bit more! M

MAYFAIR

Vol.55 No.02

On Sale April 1st

Well spring'll be in full bloom by the time 55.02 hits the shelves, but here at *Mayfair*, certain things are always in season – and you probably don't need me to tell you what they are, do you? Who cares about the annual blooming of daffodils or the appearance of tulips when every issue of *Mayfair* brings forth the delights of some blooming marvellous boobs and the several delectable sets of, umm, two lips? I think I'll park that thought right there before it gets even more ridiculous, and confine myself to saying next issue's got some lovely women in, like these two!
